

Notice for Technical Personnel:-

Subject: Facilitating Aadhaar number linkage with INFRACON.

All the registered Key Personnel are requested to login and authenticate their credentials via Aadhaar 12-digit identification number for determining genuine IDs on INFRACON.

Many Key Professionals have approached with a request to block fake INFRACON IDs created on their name and Technical Personnel shall be now able to update and authenticate their Aadhaar number on INFRACON.

The above mentioned authentication must be completed by 31/10/2020 failing which the uploaded data by Key Professional shall not be treated authenticated and may not be allowed to be a part of Team IDs.
