

Notice for Consultancy Firms and Key Professionals

**Subject: Notice to Consultancy Firms and Key Personnel for Completing the incomplete profile along with Aadhaar Authentication on INFRACON.**

It has been noticed that more than 11,000 Key Personnel and 1,000 Consultancy Firms are yet to complete their profiles on INFRACON which has resulted in considerable amount of redundant data on the portal.

Vide our earlier notices dated 24.09.2020 and 05.11.2020, all the Key Personnel registered on INFRACON were requested to Log-in and Authenticate their credentials via the 12-digit Aadhaar Identification Number for determining the genuineness of IDs on INFRACON.

Consequently, more than 4500 Key Personnel have authenticated their Aadhaar Number on INFRACON. However, many Key Professionals have approached NHIDCL with a request for extension in Deadline Date to complete their profiles and authenticate their Aadhaar Number on their INFRACON Profile. It may be noted that that Aadhaar Authentication is presently available only to the residents in India.

A Notice is thus being issued to all Consultancy Firms and all Key Personnel to complete their incomplete profiles and/or authenticate their Aadhaar number on INFRACON by **30.04.2021** positively. Failing to complete their incomplete profiles by the designated date, the concerned Consultancy Firms and Key Personnel shall be deregistered from INFRACON and will require a fresh registration on INFRACON. It is further notified that the IDs without Aadhaar Authentication by aforementioned date shall not be able to participate in the Bidding Process.
